ERIE GRAND JURY PROBES

Proposal, With Other Revenue-Raising Plans, to Be Discussed With Crow

PUT UP TO LEGISLATURE SPECIAL TAXES DROPPED SEVERAL SECTIONS MEET

A proposed tax on the gross receipts of theatres and motion-picture houses Washington, Feb. 24 .- After striking will be among the revenue-producing out practically all of the previsions for Downey, of Boston, superintendent of measures Governor Sproul will discuss federal regulation of the coal industry night schools in that city, and a memwith State Chairman Crow and other in emergencies and for special taxation ber of the Knights of Columbus No.

Monday at Harrisburg, when the state administration will decide on the revenue measures to be pushed through the Legislature.

Calder bill.

Chairman La Follette said the committee report would be put into the mittee report would be put into the war in all the applied trades, and that

member, he said, that if progressive legislation is to be passed adequate funds must be provided. Sproul for Theatre Tax

The bill to levy a tax on the gross receipts of theatres was introduced by Representative Brady. While it is not a part of the administration program to obtain more revenue, it will be given consideration at the conference.

The Governor gave an inkling of his attitude toward the theatre tax bill with the remark today that the theatre He is a member of the Sigma Phi Eta, than many imagine. Of course, the hundred and notion-picture interests had taken take over the mines and distributing made for the attendance of upwards of \$80,000,000 out of the state last year.

y to think deeply and sinarpens their wits
giderably. Then it stimulates competwhich alds in other duties besides the
iest, so I advise every member of Mahlen
s to enter this interesting contest, if they
won't doke so, and try to land a Muhlenwon't whose so, and try to land a Muhlenwon' proposals to increase the revenue and individual members of the Legislature have proposals of their own. With these various propositions before them.

"My message indicated the Legislature really should decide what addi-tional revenue, if any, was to be raised. In other words, the question of additional revenue was put up to the Legis-lature. I pointed out at that time that we could get along with what we have, but if they want any progressive legislation enacted additional revenue for its maintenance will be required.

"I might point out that among these pregressive measures is the Delaware river bridge project. The engineers for the commission say they want \$5,000,000 from the state this session. If funds for this project as well as for other it is in the think are mighty good.

It is lest not to take the attitude to make a projects are desired then, of course, we make judgment in this game is most carefully consider ways and means to produce last lines that are last, and we have exidence which believe we are batting somewhere.

The Governor pointed out that among the revenue proposals are the administration bills used line for a two or intention. for this project as well as for other projects are desired then, of course, we

TRISCUIT IS BACK AGAIN

Company of the compan

Your favorite shredded wheat cracker—crisp, tasty, delicious-a real whole wheat toast. In order to conserve wheat we stopped making Triscuit during the war, but now you can get it of your grocer. It is made the same as Shredded Wheat Biscuit, but is pressed into a wafer. More nourishing than whole wheat bread because more easily digested. The longer you chew it the better it tastes.

Always heat it in the oven to restore crispness, then spread it, while hot, with butter or soft cheese.
